

Software Engineering Intern Assignment

Here I am providing the link to the assignment which I have done to my best to meet your requirements. Kindly go through it and if anything further required from my side do let me know.

Assignment 1:- Web Application Mimicking Google Sheets

Link:- <https://github.com/AvyukthAvyu/web-application-mimicking-google-sheets>

Assignment 2:- Building a Support Agent Chatbot CDP “How-to” Questions

Link:- <https://github.com/AvyukthAvyu/support-agent-chatbot-for-cdp>

Thanks

Avyukth Narayanan
